Title: Affirm Relationships in Approaches to Social Justice Ministry
Legislative Action Taken: Concurred as Amended
Final Text:

Resolved, That the 78th General Convention affirm the many justice ministries of service and advocacy throughout The Episcopal Church, ministries that are grounded in the Baptismal Covenant and that were initiated by General Conventions, dioceses, congregations, and other Episcopal organizations; and be it further

Resolved, That this Convention affirm and encourage the use of various methods to discern, develop, and sustain justice ministries, such as Asset-Based Community Development, needs surveys, and community organizing; and be it further

Resolved, That this Convention affirm and encourage the formation of partnerships between congregations and well-established community organizing groups in their local contexts in order to be trained in the practice of community organizing and sustained by those partnerships that they may do justice ministry more effectively and efficiently; and be it further

Resolved, That this Convention acknowledge that one of the greatest challenges of our time and culture is the widening gap between the rich and the poor, the sin of economic injustice that pervades our society; and be it further

Resolved, That this Convention challenge all Episcopalians to hear in a bold way the call of both Jesus and St. Francis of Assisi to befriend and be with the poor, and that we come to know that the future vitality of The Episcopal Church is grounded in our mutually affirming relationships with our brothers and sisters who are poor; and be it further

Resolved, That this Convention encourage all Episcopal congregations to establish relationship-based, social-justice ministries through which relationships are developed between those who serve and those who are served, resulting in shared and transformational experiences and in a greater commitment to work for justice on all sides of the socio-economic divide; and be it further

Resolved, That this Convention encourage churches and dioceses to discover and partner with local experts such as Industrial Areas Foundation (IAF), Direct Action and Research Training (DART), Gamaliel Foundation, Asset Based Community Development, People Improving Communities through Organizing (PICO), and other local formulations of interfaith or cross cultural organizations that use relationships to structure their transformative work; and be it further

Resolved, That this Convention ask Episcopal groups that are participating in relationship-based social justice to share their experiences with the broader Church through social media, the internet, and official communication channels, so that other groups can learn from their successes, challenges, and insights.
